## 18 Document Preparation

### 18.1 Introduction

---

This document was prepared for the City of Concord by a consulting team of environmental planners, engineers, and scientists. This chapter provides information about key members of the City staff in Section 18.2 and Consulting Team in Section 18.3. The consulting team drew upon the documents referenced in the previous chapters as well as the primary data collected and reported in those chapters. In addition, the consulting team drew upon the comments provided at the two scoping meetings reported in Appendices 1A and 1B, and contacts with the agencies and individuals identified in Section 18.4.
